

REIKI REFRESHER COURSE

This class is for those students who perhaps have not used Reiki for a long time and are inspired to use Reiki to its full potential. This course is also suitable for some who may have studied with other teachers and would like to study with someone new and add to their knowledge. Each teacher is unique and everyone can benefit from this course. In addition to the information, each student will also receive a treatment and will gain from the class experience.

Prerequisite: Must have certification in Reiki 1 and 2.

Cost: \$100.00 includes all materials and supplies.

Level 2 attunements will be available for an additional fee of \$50.00 for those who would like to increase their level of healing.

Class Overview:

1. Review Level 1 basics
2. How to give a treatment including receiving treatments
3. Review Level 2 going over symbols
4. How to use various symbols to enhance treatments
5. How to do long-distance healing
6. How to manifest your desires using Reiki
7. Review of Master Reiki Teacher Course

Classes are small so individual needs can be addressed.

I look forward to sharing this with those interested in making a difference in their lives and in the lives of others.
